**Notes on FORM EP 2A – Form of Statutory Declaration by Assentors to nomination of certain candidates at European Parliament Elections.**

*(Please read the notes carefully before completing the statutory declaration. These notes are for guidance only and do not purport to be a legal interpretation).*

**General**

Sections 12 and 13 of the European Parliament Elections Act 1997, which were substituted by section 10 of the Electoral (Amendment) Act 2009, provide that where a person is not a candidate of a registered political party, one or other of the following procedures must be complied with before the expiration of the time for receiving nominations in order for that person to be validly nominated to stand as a candidate at a European Parliament election:

- (i) the completion of statutory declarations by 60 assentors to the nomination who are registered as European electors in the relevant European Parliament constituency. The assents must be witnessed by a Notary Public, a Commissioner for Oaths, a Peace Commissioner, a member of the Garda Síochána or an official of the registration authority (County/City/City and County Council), or
- (ii) the candidate, or someone on his or her behalf, lodging a deposit of €1,800 with the returning officer.

This form is to be used for making statutory declarations of assent under (i) above; copies of the form are available free of charge from returning officers and registration authorities.

An assent is valid only in respect of the European Parliament constituency in which the assentor's address at the time of assent is located at election time.

An assent may be made at any time but it may only be used at the next European Parliament election in the relevant constituency.

Responsibility lies with the candidate or his/her proposer at the election to secure the necessary assents, to attach the 60 statutory declarations to the nomination paper and to deliver all the documentation to the returning officer by the deadline for receipt of nominations at the election. Please note the different deadlines for receipt of nominations for candidates who are Irish citizens and candidates who are nationals of other EU Member States.

A returning officer may rule as invalid a nomination paper from a candidate who has opted for the assenting alternative if he or she considers that the candidate has not complied with the statutory requirements relating to assenting.

## **Notes to Parts of Form**

All parts of the form must be completed.

**Parts 1 and 2:** The assentor should enter his/her number and polling district letters (Part 1) and address (Part 2) as stated on the Register of Electors. The Register may be inspected at the county/city and county council's offices or on their website; at libraries, post offices and Garda Stations; and through [www.checktherregister.ie](http://www.checktherregister.ie).

**Part 3:** Enter contact details, including daytime and mobile telephone numbers.

**Part 4:** Each assentor must when making the statutory declaration bring one of the following photographic documents for identification purposes – passport, driving licence, employee identity card containing a photograph, student identity card issued by an educational institution and containing a photograph, travel document containing name and photograph or a Public Services Card.

One of the documents must be produced to the witness taking the statutory declaration, and the type of document must be recorded in Part 4 along with any identifying number on it (e.g. passport number).

**Part 5:** Enter the name of the European Parliament Constituency where the address at Part 2 of the form is located on the date of the making of the statutory declaration. It should be noted that an assent is valid only in respect of the European Parliament constituency in which the assentor's address at the time of assent is located at election time.

**Parts 6 and 7:** Enter the name (Part 6) and address (Part 7) of the candidate whose nomination is being assented to.

**Part 8:** This is the formal assent to the nomination of the candidate at the next European Parliament election to be held in the constituency in which the address at Part 2 is located at election time.

**Part 9:** The assentor has to confirm on the statutory declaration that he or she has not assented to the nomination of any other candidate in the election concerned or at any other European Parliament election to be held at the same time as that election.

The assentor must sign the declaration in the presence of the witness.

## **Witness to Statutory Declaration**

The statutory declaration must be witnessed by a Notary Public, a Commissioner for Oaths, a Peace Commissioner, a member of the Garda Síochána or an official of the registration authority. Where the necessary ID is produced under Part 4, the law provides that this is sufficient for the witness to sign on the form that the assentor is personally known to him/her.

In the case of Gardaí or registration authority officials, the declaration must be stamped with the official stamp of the garda station or registration authority in the box provided.

## **Penalties**
